

## FOREST HOLLOW SWIM CLUB (FHSC) PARTY POLICIES

Members of FHSC may use facilities for private parties. All parties require prior approval. This ensures we have the proper number of guards available and that we don't have multiple parties at the same time.

For parties of 25 or less, ½ the pavilion (4 tables) may be reserved for a fee of \$25.00 plus \$5.00 for each non-member guest. Parties over 25 pay \$25.00 for ½ the pavilion, \$5.00 per non-member guest and additional lifeguard fees based on the size of the party. Please note that all parties over 25 and any party after normal pool hours require Board approval. Please contact the Pool Manager to make a reservation request.

A guest list must be submitted one week in advance. This list will be used to sign in guests the day of the party. A guest list form is available from the guards. Please note that an emergency phone number is required for all non-member guests.

The member sponsoring the party is responsible for the party set-up and **clean-up**. The member is also responsible for ensuring that his/her guests follow the pool rules.
